

## nanoGriptech is now Setex Technologies

nanoGriptech, Inc., the first commercial manufacturer of gecko-inspired micro-structured dry adhesives and surfaces for a wide range of consumer and industrial applications, announced today its name change to Setex Technologies, Inc. ([setextechnologies.com](https://setextechnologies.com)).

“We have built a strong following on Amazon with our Setex brand and have a leading market share in the eyeglass nose pads category,” comments CEO Nicholas Kuhn “As we continue to grow, we saw the opportunity to leverage our technology to build the Setex brand into a household name.” ...
